Lord for - give my sad - ness as I cry for You
Take a - way my an - ger con - quer all my fear
Speak of your for - give - ness through my ev - ery deed

With but a kiss was sealed a pro - mise sec - ret yet You knew
For in the noise of death's em - brace I long to feel You near
Lord make me in Your im - age and I'll fol - low where You lead

You had been be - trayed by a sym - bol of Your peace
Hold me once a - gain from be - yond Your earth - ly grave
Dry my tears of an - guish be - born with - in my soul

Yet walked on - to that hill and died to give us re - lease
And live with - in my act - ions make me wor - thy to save
From dark - est tomb to bril - liant light I shall be made whole
